Обобщение

Една епична приключение в лудост, тази поредица от разкази за алтернативна история, изследва вериги, които се свързват човешкия дух, на повторение на оцеляване.

~~~

Информация сам по себе си не притежава истината в себе си, докато част от цялото му се пренебрегва, игнорирани или премахнати, след което дори очевидното, може да бъде разбран, приет или отказан.

Съединените щати и Съветския съюз, разделени от гледна точка, но обединени в битка, в края на една война в началото на следващата; март печатното слово към крайната мощност, предоставяни само от разстоянието, което тя би могла да покрие.

## Предговор – Български Език

**С** няма такава абсолютна като истина, ние се скитат, в ума, тялото, по дух, ние сме свободни да се колебаят между реалността и мечтите си в търсене на оцеляване, достоен за нашето достойнство. До реалност, или каквото хлабав изграждане на такива, ние откриваме себе си погълнат от, ни дърпа назад в рязък-на себе си тук и сега, към тежест и ангажимент чрез изпълнението и борба тества нашите мечти за истината.

Може би истината не е това, което е мечтал, думи и задължителното им чувства често помрачава нашите определения на по-общи концепции. Кой всред вас говорят ирония думата, без да е ирония? В един свят, където най-честата употреба на такива завои да бъде само дефиниция, ние се борим, на шега, по този начин така случайно хумористични, за да оцелеят,

сред който се смее с нашите истини, тъй  
като тя се смее на нашите мечти, а никога  
никопък нито с това Фрагмент Земята.

## 002 – Глава 1

### Възпламени

- Бохемски Чехословакия, 4 май 1945 г. -

**Н**е, той по-кратки, тъмна коса, униформа на американската армия.”

“О, изберете думите ви по-мъдри. По този начин,” моя френетична търсене последва предложението си пръст в зловещо осветен тунел.

“Американски?” отговори на следващия директор, “живи или мъртви?”

“Живот!” Настоях аз.

“Нагоре по стълбите дузина етажи, ако

побърза ме.”

“Всички важни,” отговори цифра на върха, “идва от целия този тъгъл там,” както се оказа.

В края на пробата. Покупка сега, за да прочете и мигновено.

## Summary

A big adventure into mad, this series of alternate history short story, explore the chain that bind the human spirit to the repeat of survive.

~~~

Know alone hold no truth with-in it-self, until part of it whole is over-look, ignore or remove, where-after even the clear can be under-stood, accept or deny.

The United States, and the Soviet Union, divide by view but united in battle, find at the end of one war the begin of the next; the print word march to ultimate power, provide only by the distant it could cover.

Preface – Simple English

With no such absolute as truth we move; in mind, in body, in spirit, we are free to lost between real and dream in search of a survive worth of our worth. Until real, or what-ever loose idea of such we find our-self trap by, pull us back into the crazy here and now, to bad and commit through fulfill and struggle it test our dream for truth.

Maybe truth was not what we had dream it was; word and their need feel often cloud our make of the more common idea. Who even among you speak the word irony without be irony? In a world, where our most common use of such turn out to be it only make, do we struggle, in a joke there-by so same humor, to survive, among that which laugh with our truth as it laugh at our dream, while never not each one do to either with this Fragment Earth.

Summary

An epic adventure into madness, this series of alternate history short stories, explores the chains that bind the human spirit to the repetition of survival.

~~~

Information alone holds no truth within itself, until part of its whole is overlooked, ignored or removed, whereafter even the obvious can be understood, accepted or denied.

The United States, and the Soviet Union, divided by perspective but united in battle, find at the end of one war the beginning of the next; the printed word's march toward ultimate power, provided only by the distance it could cover.

## Preface – English

**W**ith no such absolute as truth we wander; in mind, in body, in spirit, we are free to waver between consciousness and dreams in search of a survival worthy of our worthiness. Until reality, or whatever loose construct of such we find ourselves engulfed by, pulls us back into the stark-raving here and now, toward burden and commitment through fulfillment and struggle it tests our dreams for truth.

Perhaps truth was not what we had dreamt it was; words and their compulsory feelings often cloud our definitions of the more common concepts. Who even among you speak the word irony without being ironic? In a world, where our most common use of such turns out to be its only definition, do we struggle, in a joke thereby so coincidentally humorous, to survive, among that which laughs with our truths as it laughs

at our dreams, while never neither does to  
either with this Fragment Earth.
